

A HISTORY OF THE LAUDERDALE LAKES

By Robert Brown and Patricia McCormick

The Lauderdale Lakes Improvement Association was founded in July, 1902. To commemorate the 90th anniversary of its founding, the Association published "A History of the Lauderdale Lakes" authored by two of its members, Bob Brown and Patty McCormick. This is a wonderful history of the area, and would make a welcome addition to anyone's library.

The book may be purchased through the Association or at many of the area's retail outlets. To order through the Association, please use the form below.
